

Renewable Energy Advisory Council Agenda

Virtual meeting via Zoom

Thursday, March 18, 2021 – Please note this meeting is on a Thursday

9:30 – 11:50 a.m.

To join the Zoom meeting, you will need to register in advance:

<https://zoom.us/join/zoom/register/tJEpd-muqT4oH9aPKzeKPkL8oPtep-zEdTQb>

After registering, you will receive a confirmation email containing information about joining the meeting.

9:30 Welcome and announcements

9:35 Community Solar Program update *(information)*

Staff working on the administration of the Oregon Community Solar Program will give an update on the program's accomplishments, challenges and upcoming decisions and milestones. Energy Trust staff will also provide some information on project incentives for community solar projects.

10:20 Energy Trust's 2020 results *(information)*

Staff will present year-end results from 2020. This will focus mainly on renewable energy but will also include some brief information on energy efficiency program results.

10:50 Results of Energy Trust's customer insights survey *(information)*

Customer Insights is a general population survey of residential utility customers fielded by Energy Trust in 2020. The results will be used to better understand participants and non-participants and to inform marketing and program development. Staff will share some of the top findings from the study.

11:30 Legislative update *(information)*

Energy Trust staff and RAC members will provide an update on legislation that is being considered in the 2021 legislative session and may affect Energy Trust.

11:45 Public comment

11:50 Adjourn

You can view this agenda and notes from previous meetings at: energytrust.org/about/public-meetings. If you have comments on meeting notes, please email [Alina Lambert](mailto:Alina.Lambert@energytrust.org).

Next meeting: Wednesday, April 14 from 1:00 to 4:00 p.m. This will be a joint gathering of the RAC, Diversity Advisory Council and Conservation Advisory Council to generate ideas for Energy Trust's 2022 goals.
